- 1540 NAMAZI, Rasoul. Alfarabi as Leo Strauss's teacher of Platonic esoteric writing: Leo Strauss's rediscovery of esotericism and its Islamic origin. *Esoteric transfers and constructions: Judaism, Christianity, and Islam*. Mark Sedgwick, Francesco Piraino, eds. Cham: Palgrave Macmillan, 2021, pp. 131-150. Shows how Strauss's understanding of "esoteric writing" helped him to solve what he called "the theologico-political problem". This problem led Strauss to Spinoza (1632-1677) and Maimonides (1138-1204), and Maimonides led him to Alfarabi ..., who Strauss saw as the great practitioner of esoteric writing."
