1313 RASHID, Misbah. Blasphemy of Salman Rushdie and shifting legal discourse in India. *Contemporary Islam*, 14 i (2020) pp. 1-18. "This article attempts to evaluate the reasons as to why this fatwa ... became so important and generated reactions from every part of the world irrespective of sectarian divides in Islam. It also analyses the opinions of the two Islamic schools of thought in the Indian subcontinent ... on the issue of blasphemy and the negotiations they make within their legal discourses to arrive at conclusions with regard the conflictual Islamic and secular laws."
