1726 RASHED, Roshdi. Pseudo-Euclide, Pseudo-Ptolémée et Thiasos sur les miroirs. *Arabic Sciences and Philosophy*, 32 i (2022) pp. 1-65. "Among the writings devoted to the reflection of "visual" and solar rays on various mirrors, there are two that preceded many others and that occupy a central position in the history of catoptrics: one is attributed to Euclid, the other to Ptolemy. To these two names, we add a third, hitherto unknown, Thiasos. In this article, we take up the textual and conceptual history of this catoptric research tradition."
