DUQUE, Adriano. Paradoxes of reconciliation: the public face of apostasy in tenth-century Córdoba. *Conflict and collaboration in Medieval Iberia*. Ed. Kim Bergqvist, Kurt Villads Jensen and Anthony John Lappin. Newcastle upon Tyne: Cambridge Scholars, 2020, pp. 23-44. Studies the capital execution of 'Umar Ibn Hafşun and his family in Córdoba. Looking at other instances of capital punishment under Umayyad rule, the article attempts to reconstruct the meaning of the different punishments inflicted on the members of Ibn Hafşun's family.
