1274. SHEYHATOVITCH, Beata. The distinction between the general and the specific in *Sharh al-Kāfiya* by Raḍī al-Dīn al-Astarābādī. *Jerusalem Studies in Arabic and Islam*, 48 (2020) pp. 79-120. Surveys various contexts in which the terms 'āmm ('general') and khāṣṣ ('specific') and their derivatives are used in *Sharh al-Kāfiya* and "compares *takhsīṣ* ('specification/specificity') with two other, seemingly close, terms that actually have different meanings, viz. *tawāṭih* ('clarification') and *ta'rīf* ('definiteness')."
