PENCHEV, Pencho D. & ATANASOV, Hristiyan. From an empire to a nation state: land property and its guarantee in the Balkans. The case of Bulgaria. *Bulgarian Historical Review. Revue Bulgare d'Histoire*, 50 i-ii (2022) pp. 3-37. "A comparative analysis of the status of land property in the Ottoman Empire (within the period from 1839 to 1878) and Bulgaria after the Liberation (1879–1912). The findings indicate significant discrepancies. While in the Ottoman Empire land property (*rakaba*) ideally belongs to the state, in practice the immediate agricultural producer feels a full-right owner and landlord, according to the traditional understanding of private property law."
